Re: River Bend Condominium Dock
Permit No. 40-009-64427-8 Item #1145697
(Please reference the above numbers on any submittal.)

Dear Mr. Carter:

District staff conducted a site inspection on January 14, 2010, in response to the as-built submitted for the revised dock. The field measurements indicated that the dock revisions were constructed in conformance with the permitted plans and the sovereign submerged lands lease # 051028114. The project is in compliance with the permit conditions and the requirements of Consent Order No. 939303, F.O.R. 2008-02.

If you have any questions, please call me at (321) 508-9536.

Sincerely,

A handwritten signature in black ink that reads "Karen Garrett-Kraus".
